

Our Lady of Grace Church Confirmation Service Project Reflection

Candidates are asked to fill out ONE form for EACH SERVICE PROJECT completed. If you are involved in many small projects, please simply list them and talk about your experiences and feelings.

Candidates MUST complete 30 service hours during their Confirmation preparation period.

Forms are due at time of final interview in March 2009.

On an attached sheet of paper, answer the following questions about your service project. You may type it or handwrite it (please write neatly). Please be sure to number your answers (so Katie will know which question you are answering).

1. Name of Service project and date it occurred.
2. Describe the service activity...what service did you do?
3. Re-read the Gospel passage from Matthew 25:34-45. It describes some clear Gospel values. Which Gospel values did you practice during your service project(s)?
4. Discuss what you learned about service to others as a result of this project.
5. Volunteering can be a way to discover what your vocation could be. Volunteer work can also make you a more responsible person. Read 1 Corinthians 12:12-31. Which of your talents and skills did you use in your service? Do you agree that, like parts of a body, we all need each other in order to work together as a whole? Why?
6. How did this service project affect or change you? (Please write at least 5-6 sentences)
7. How do you plan to continue living a life of service?
